Completing POLST

- This is a **voluntary** order.
- Should reflect patient’s preferences based on **current** medical condition. Encourage completion of an advanced directive.
- POLST must be signed by a physician, nurse practitioner or physician assistant to be valid. Verbal orders are acceptable with follow up signature by the physician/NP/PA in accordance with facility /community policy.
- Use of original form is strongly encouraged. Photocopies and faxes are legal and valid.
- Patient should sign this form if (s)he is able to make his/her own health care decisions. If unable to sign, an authorized representative should sign.
- In the event of an emergency, changes may be made to the form by an Authorized Representative via telephone.
- An Authorized Representative includes, in order of priority, a health care agent (same as durable health care power of attorney or agent named in advance directive), court appointed guardian, parent of minor, or surrogate as defined in 18-A MRS § 5-801.

Using POLST

- **Section A**
- No defibrillator (including AED’s) should be used on a person who has chosen “Do Not Attempt Resuscitation.”
- **Section B**
- When comfort cannot be achieved in the current setting, the patient, including someone with “Comfort Measures Only”, should be transferred to a setting able to provide comfort (e.g., treatment of a hip fracture).
- IV medication to enhance comfort may be appropriate for a patient who has chosen “Comfort Measures Only.”

Reviewing POLST

This POLST should be reviewed periodically and if:

- The patient is transferred from one care setting or care level to another, or
- There is a substantial change in the patient’s health status, or
- The patient’s treatment preferences change.

Draw a line through sections A through D and write “VOID” in large letters if POLST is replaced or becomes invalid.

Obtaining Additional POLST forms

- Additional POLST forms may be obtained by contacting the Maine POLST Coalition, online at www.polstmaine.org
