

July 24 Agenda

For council members: We will be able to practice physical distancing in the room but everyone must get screened and have their temperatures taken when they enter the building. Please bring your own mask and your own lunch/drinks as the hospital cafeteria and café are closed to the public.

We will spend most of the meeting working on our task from the legislature (to undertake a survey of payment models, including interdisciplinary and bundled models, consult with the Department of Health and Human Services, and make recommendations on what would be appropriate for Maine in the next annual report that is due to three legislative committees by January 1st, 2021.)

Attached please find some key articles/information to assist in preparation of that discussion.

The call-in number (which can be a skype video call) is:

Conference Call Connection:

Dial in Number: (970) 984-6000

Access Code: 56281497#

Via Web Browser (without a VMR acct): <https://my.videxio.com/meet/56281497/>

Skype: [56281497@vmr.vc](https://www.skype.com/join/56281497@vmr.vc)
